### Idea Generator:

Are you having a hard time creating your dream? If so, this is the list for you. I've asked a lot of people about what their permanent vacation looks like and this is the list I've come up with based on their responses. Some of these are activity dreams and some of these are location-based dreams:

- Beach-front property (like my Florida dream)
- Live in a cabin in the mountains
- Become a snowbird – think Utah in the summer; Arizona in the winter
- Permanent houseboat on Lake Powell
- Own/live on an island in the Caribbean
- Live on a boat and travel the world
- Buy a nice motorhome and be a permanent traveler
- Live abroad
- Cruise around the world
- Tackle the bucket list
- Do service missions for your church or local charity
- Ski around the country/world
- Work part time doing something you love
- Pursue the hobbies you've always wanted to
- Skydiving in Hawaii
- Tour Europe
